## about the spaces

**the atrium** accommodates 30 seated | 60 standing

this large open area in our modern space is perfect for workshops, corporate events, presentations, parties, celebrations and much more! we have the ability to arrange the atrium with large tables, couches, and chairs for a workshop setting or larger seated dinner parties. this modern ground level space is great for many occasions.

**the meeting room** accommodates 12 seated | 15 standing

ideal for workshops, game nights, and meetings, this smaller area in our modern facility makes for an excellent setting for more intimate gatherings.
