Showing Interest in Member Clubs

Marking **Interested** in a Member-led Club, opens a whole new way to stay up to date with the clubs that are most important to you! You'll receive email notifications any time that the club page has been updated or when a new Discussion has been posted. For Club Leaders, encouraging your club's Members and potential Members to show interest in your club page allows you to stay connected with them.

How to Show Interest in A Member Club

1. First, you'll log in to MTL and navigate to the Clubs section of the site, highlighted in yellow.

2. Click on the Member-led Club you're interested in and you'll be taken to that club's page where you can read its Description, see its Upcoming Events, Discussion Posts and FAQs.

To show your interest in the club and to begin receiving notifications each time the page is updated or a Discussion is posted, click on the button which says **Interested** on the righthand side of the page (or just under the club's name on mobile).

Join Ocala Preserve Member and Bonsai enthusiast David Feitelson, every fourth Thursday at 10:30am, as he shares his passion for, and knowledge of, Bonsai trees. Not familiar with
