Adding Social Media Links to Your Profile

We know that most Trilogy Members have Social Media accounts such as Facebook, LinkedIn, Instagram and Twitter. That's why we've added a place for you to easily share your Social Media links so that your friends and neighbors can connect with you more in other ways!

How to Add Social Media Links

First, you'll head to your Profile Settings on MTL. This can be done by hovering over or clicking on your name in the top right-hand corner and selecting **My Account**, or if you're on a smartphone and some tablets, you'll select **Menu** in the top right-hand corner and then **My Account**.

Next, you'll go to your **Contact Information.** Scroll down until you see the **Social Profile** section. Here you'll have the ability to add any Facebook, LinkedIn, Instagram or Twitter profiles you'd like to share! This section features examples of what the links should look like.
